

2027 PORTAL QUICK GUIDE

Student Portal Guide

The essential steps for registering, preparing a project, and submitting materials for NHD Korea.

Registration closes	November 30, 2026
NHD Korea Contest	March 6, 2027
Location	Seoul International School

Before you register

- Work with a designated NHD sponsor teacher at your school.
- Create your own participant account. Every student registers individually, including members of a group project.
- Read the current NHD Contest Rule Book and the instructions for your category.

Prepare your entry

- Choose a topic connected to the 2027 theme: Innovation in History: Impact, Influence, Change.
- Develop an original historical argument supported by primary and secondary sources.
- Complete the written materials required for your entry, including the process paper and annotated bibliography.
- Website entries must use NHDWebCentral. Follow the current Rule Book for every category requirement.

Use the portal

- Complete registration no later than November 30, 2026.
- Link group members and project information carefully during registration.
- Upload the correct digital project components by the deadline shown in the live portal.
- Check portal announcements for contest-day check-in, schedule, and attendance instructions.
