Sponsor teacher checklist

- Create a teacher account and identify yourself as the NHD sponsor teacher for your school.
- Make sure students understand the theme, current Rule Book, category requirements, and evaluation criteria.
- Share affiliate dates and instructions clearly and early. Registration closes November 30, 2026.
- Help every student register through the Korea portal and verify that group projects are linked correctly.
- Monitor project-upload requirements and the deadline shown in the live portal.
- Coordinate school-side fee collection and payment only after receiving the current affiliate invoice and instructions.
- Arrange transportation, supervision, and chaperoning for contest day at Seoul International School.
- Recruit judges according to the current affiliate instructions and make sure they register in the portal.
- Support qualifying students with National Contest registration and travel planning.
